

Cut out for game pieces

For on-line dice go to [http://www.lonnyfoster.com/games\\_online\\_dice.htm](http://www.lonnyfoster.com/games_online_dice.htm)

A game for as many people as you can fit on the board! Requires 1 single die, and a game piece for each player. Simply place your game pieces on START, roll the die and do what it says on the space you land on. If it says "On your next turn" then wait until it's your turn again, otherwise do it immediately. The first to reach the finish wins!
